Housing

Gallant University Business School offers all new Business students the opportunity to reside in graduate housing at a greatly subsidized rate. The housing program is designed to help our students adjust to living in Calverton during the first year of their graduate programs. The Gallant University Housing Association offers housing to eligible graduates and are designed to house single Business students and Business students residing with a partner or spouse. Choose from 900 units in six apartment buildings owned and managed by the University. All properties offer proximity to what you value most, whether retail shops, restaurants, schools, or play lots and are conveniently located within walking distance of campus and near public transportation:

- Holly Apartments (for singles)
- Johnson Apartments (for singles)
- Hogg Apartments (for singles)
- Adair Apartments (for couples and families)
- Roddenberry Apartments (for couples and families)

Gallant University Graduate Housing has many attractive features:

- Housing is close to campus
- Apartments are furnished
- On site laundry facilities
- All buildings have elevators
- Designated smoke free facilities
- Utilities are included in the room cost (heat, water and electricity)

The availability of on-campus housing for graduate and professional students is limited. Priority for housing assignment will be awarded to graduate students who arrive from abroad on student visa status and it is their first time attending school outside of their home country. Note that in addition to the housing available on campus, a wide variety of housing is available off campus.
