Greetings from historic Brittany!

We landed in Lorient Airport on Monday and we're having the time of our lives. Susan is especially enjoying visiting the old market towns nearby. Brittany is great for immersing yourself in culture, and there's so much to do! It's unfortunate that the weather has been so rainy!

Thank you so much for telling us about Destination You, they found us the perfect resort for our big family.

You can get a 5-night stay for 2 adults and 2 children for just \$516pp with flights included, and there's even a pool for the kids!

We'll have to come here together next time!
